The page header includes a navigation bar with the class name "Demo Class", the number of students "5 Students", and the number of parents "0 Parents". Below the header, there are tabs for "Classroom", "Portfolios", "Class Story", and "Messages". On the right side of the header, there are links for "Student login", "Invite parents", and "Options".

The main content area is titled "Students" and "Groups". It features a row of six student cards, each with a unique cartoon avatar and a score of 0. The students are: "Whole Class" (represented by a group of colorful characters), "Beyoncé" (blue monster), "Denzel" (brown character with antlers), "Jennifer" (black character with horns), "Justin" (tiger), and "Leonardo" (yellow character). Below the student cards is a button labeled "Add students".

At the bottom of the interface, there is a toolbar with several icons and labels: "Toolkit", "Attendance", "Select multiple", "Random", "Timer", "Big Ideas", and "Invite parents (0%)".
